## ■ Teknoware BMTS Iftar Party

BMTS and Teknoware hosted a joint Iftar party on 7th Sept in Abu Dhabi. The management of both the companies were present to welcome the consultants and customers who turned up in large numbers.

Teknoware has joined hands with BMTS to market the Teknoware Emergency Lighting Central Battery system in the Emirate of Abu Dhabi.

## ■ BMTS Talking Paper

BMTS in its formative years had initiated a system of training and upgrading the Trainee Team to various levels by evaluating their interests, skills and strengths through a 'Talking Paper'.

The 3rd 'Talking Paper' for appraising the new Trainee Engineers was conducted by BMTS where the engineers simulate real life situations and present to their managers as they would to clients. The 'Talking Paper' also provides an opportunity for the trainee engineers to interact with their managers and senior colleagues.

The three top trainee engineers were awarded trophies as a token of recognition by Esam Al Mazroei, Managing Director, BMTS & H. Shahul Hameed, Executive Director & General Manager, BMTS.
