## CELEBRATING SUCCESS

*Top awards for 2006 were presented to employees at a glittering function*

Bahri & Mazroei Technical Systems (BMTS) presented Excellence Awards to its top performing employees. The winners were selected by an online voting process using a software developed in-house. The winners received a special crystal trophy at a magnificent function held at the Al Bustan Rotana Hotel in Dubai, on the 2<sup>nd</sup> of February 2007.

BMTS crossed the AED 100 million mark in the year 2006. Apart from awarding professional excellence, employees and their families were also awarded for their unique talents.

Esam Al Mazroei, Chief Executive Officer of BMTS speaking on the occasion said, "The awards tonight are a celebration of

our success, which has only been possible due to our team's hard work." Also present on the occasion were the representatives from GENT by Honeywell, Cooper CEAG, Honeywell ECC, Honeywell Security, GE, Comelit, F & G, Siemens and VESDA.

Manufacturers also gave away prizes to BMTS staff for their special efforts in promoting their brand in the UAE market.

Shahul Hameed the GM of BMTS remarked "Our ability to consistently achieve the best results for our customers is at the very heart of our continued success. Achieving AED 100 million in the year 2006 is testimony of our customers' confidence in us."
